

# Addison Fabricators, Inc.

We manufacture ASME Code pressure vessels, tanks, and lumber treating equipment. We have Quick Opening Hinged Closures of various sizes in stock or we can custom fabricate to meet your needs.

Quick Opening Hinged Closures Page #1, Swing Cylinder Page #2, Bridge Rails Page #3 & #4, Overhead Counterweight Door Page #5, Hydraulic Controls Page #6, and Completed Cylinders Page #7.

Addison Fabricators, Inc. P.O. Box 330 Addison, AL 35540 Phone: 256-747-1546 Fax: 256-747-1130

## **Swing Cylinders**

#### **Bridge Rails**

3/8

## **Bridge Rails**

Addison Fabricators, Inc. P.O. Box 330 Addison, AL 35540 Phone: 256-747-1546 Fax: 256-747-1130

Overhead Counterweight Door

Addison Fabricators, Inc. P.O. Box 330 Addison, AL 35540 Phone: 256-747-1546 Fax: 256-747-1130

#### **Hydraulic Controls**

Remote control assembly for locking ring, swing cylinder, and bridge rails.
Allows the operator to control all the functions of the treatment cylinder from 25 feet or more away, as is necessary under the new EPA regulations.

Addison Fabricators, Inc. P.O. Box 330 Addison, AL 35540 Phone: 256-747-1546 Fax: 256-747-1130

#### **Autoclaves**

We can custom fabricate new treatment cylinders, doors, hydraulic controls, bridge rails, storage tanks, and much more to meet your specific needs. We also have the "R" Code stamp which allows us to service and repair existing vessels in our shop or on site at your location.
